EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee. The amendment to claim 20 was necessary since it was identical to claim 19. It was clear that Applicant intended for claim 20 to depend from claim 12 instead of claim 1 due to the comments in the last paragraph of page 12 of the Arguments filed 10/06/09. All the remaining changes were made to correct minor antecedent basis issues only. For example, there was no antecedent bases for "the information processing device" recited in line 4 of claim 9, so the term had to be inserted in the preamble.

The application has been amended as follows:

In claim 8 line 15, "in said storage means" was replaced with --by said information processing device--.

In claim 9 line 2, --to an information processing device-- was inserted after "advertisement information".

In claim 10 line 6, "the information processing device" was replaced with --an information processing device--.

In claim 11 line 3, --to an information processing device-- was inserted after "advertisement information".

In claim 18 line 2, --to an information processing device-- was inserted after "advertisement information".

In claim 20 line 1, "claim 1" was replaced with --claim 12--.

Response to Arguments

Applicant's arguments, see page 11, filed 10/06/09, with respect to claim 18 have been fully considered and are persuasive. The rejection of claim 18 under 35 U.S.C. 112 first paragraph has been withdrawn in light of the amendments filed 10/06/09.

Applicant's arguments, see pages 11-12, filed 10/06/09, with respect to claims 1-4, 6-15, 17, and 18 have been fully considered and are persuasive. The rejection of claims 1-4, 6-15, 17, and 18 under 35 U.S.C. 112 2nd paragraph (for lacking antecedent basis) has been withdrawn in light of the amendments filed 10/06/09.

Applicant's arguments, see page 12, filed 10/06/09, with respect to claims 1-4, 6 and 7 have been fully considered and are persuasive. The rejection of claims 1-4, 6, and 7 under 35 U.S.C. 112 2nd paragraph (for lack of support for 112 6th paragraph limitations) has been withdrawn.

Allowable Subject Matter

Claims 1-4, 7-15, and 18-20 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art of record fails to teach or fairly suggest that said device attribute information includes information indicating the presence of a battery in the information processing device, as recited in the independent claims, in combination with the remaining features and elements of the claimed invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to RYAN A. JARRETT whose telephone number is (571)272-3742. The examiner can normally be reached on 10:00-6:30 M-F.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Albert Decady can be reached on (571) 272-3819. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
